## TOG SPACE SAVER

### TOG Industrial Features

- Compaction force of a stationary compactor that fits in areas with limited available space. CP-711-FL4 or FL6 requires only an 8' x 12' operation area.
- Container Sizes in 4, 6 and 8 cubic yard capacity front load or rear load styles
- Spill lip on the container catches waste that can fall from the compaction chamber when the container is removed. The result is a cleaner waste handling area.
- Front load containers are equipped with an easy latching system for attaching or removing the container to the compactor and an automatic lid locking/unlocking system when emptying the container.
- Rear load containers are attached to the compactor with ratchet binders and the lid is fastened with manual drop hooks.
- Meets or Exceeds Current ANSI Z245 Safety Standards

### TOG Rental Plan

- Compactor Rental Plan
- Choice of Maintenance Plans
- 100% Tax Deductible
- Biodegradable Oil Options
- 99% Run-Time Reliability
- Paper and Plastics Recycling
- Access to TOG Advisory Services
- Access to On-Going Service Management
- Optional Door-Seal Protection Plan

\* Weight includes compactor only. See container dimension chart for container weight.

## Standard Features

- **Frame:** Floor 3/8" Side 3/16" Breaker Bar 18" x 6" x 1"
- **Ram:** Face 3/8" Floor 3/8" Top 3/16" Sides 3/16"
- Removable Access Panels
- Weatherhood/Safety Panels
- Choice of Front or Rear Load Container
  - Automatic Container Locking System and Lid Latching Mechanism with a Front Load Container
  - Ratchet Binder/Hooks with a Rear Load Container
- Power Unit Mounted on Rear of Compactor
- Reservoir: 15 Gallon Capacity
- Oil - Suitable for Wide Temperature Range
- Oil Sight Gauge w/Thermometer
- Pump: 6 GPM, Constant Displacement Vane Type
- Cylinder: 3.5" Bore x 2" Rod x 36" Stroke
- UL Listed Electrical Components
- Motor: 5 HP Tri-Volt 3 PH
- Controls In Main Panel:
  - Automatic Multicycle
  - Automatic Safety Retract
  - Full/Jam Automatic Shut-off w/Indicator
  - Key Lock On/Off Switch
  - Pull-To-Start/Emergency Push-To-Stop Button

## Optional Features

- Decks 750# Capacity
- Safety Handrails
- Safety Gate w/Interlock
- Side or Rear Load Hopper
- Enclosed Hopper with Door
- Security Chute (Side or Rear)
- Safety Interlock System
- Deodorizer Spray System
- UL Certified Panel
- Photo Electric Start System
- Jog Controls
- Advance Full Load Indicator
- TEFC Motor
- Low Oil Indicator with Shut-off
- Thermo Oil Heater
- Power Unit Weather Cover
- Ratchet Binders and Hooks (Optional w/a Front Load Container)
