Apartment Compactor

Model APT-331

1/3 cu. yd. Stationary Compactor

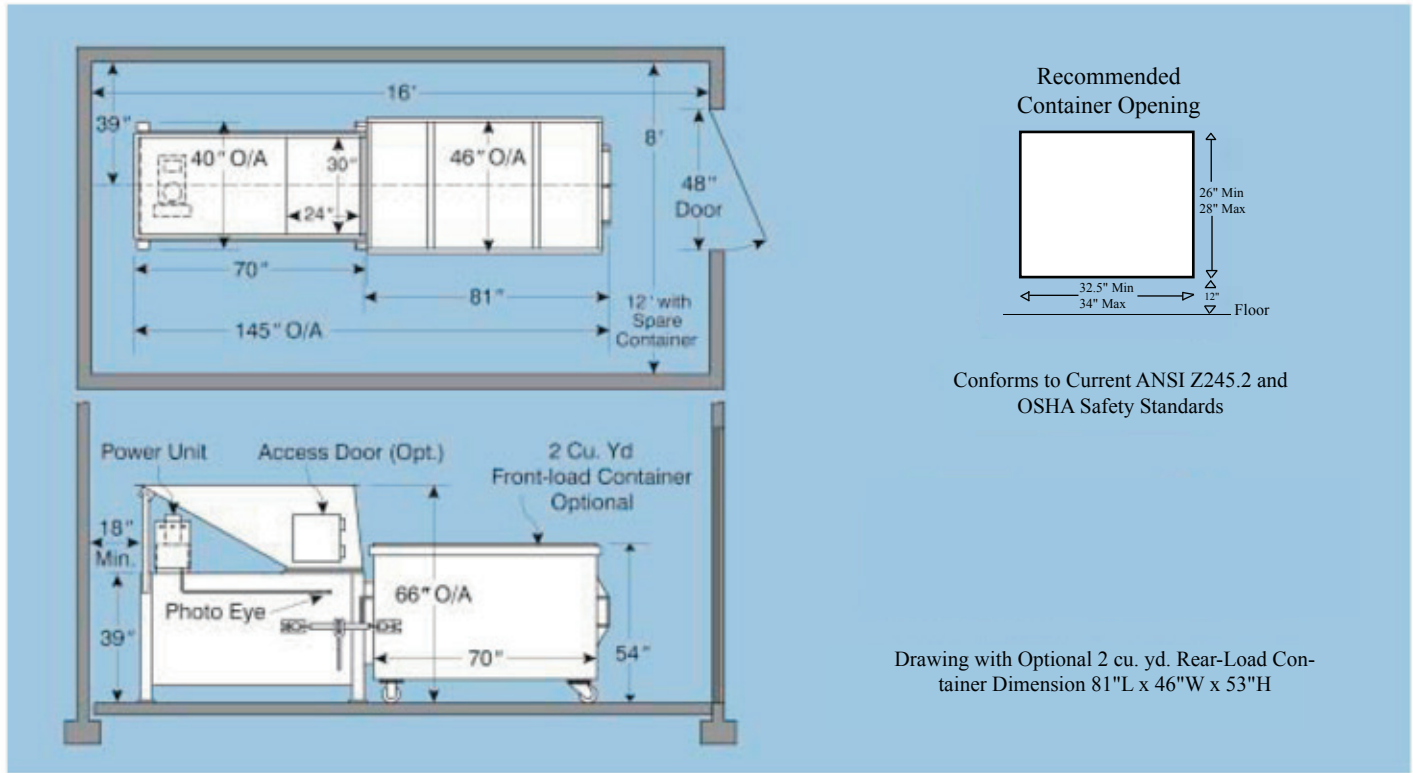

TOG Industrial Features

- Designed for chute or drop in waste collection. Great for high rise and office building applications.
- Limited Space Applications - Compactor and container system can be easily operated in a 16' x 8' room.
- Automatic photo-eye start system - compactor cycles automatically when the chamber is full.
- Large waste chute transition hopper standard. Allows for garbage to "hit" the spot with less mess around the compactor.
- Reduce hauling costs - compacted wastes means fewer pickups.
- Outperforms and outlasts all other stationary compactors in its class.

TOG Rental Program Benefits

- Compactor Rental Plan
- Choice of Maintenance Plans
- 100% Tax Deductible
- Biodegradable Oil Options
- 99% Run-Time Reliability
- Paper and Plastics Recycling
- Access to TOG Advisory Service
- Access to On-Going Service Mgmt.
- Optional Door-Seal Protection Plan
